The CMXRT was great after knee surgery I had knee surgery about 6 months ago and after being done with physical therapy, I thought I'd need to wait another 2 or 3 months to take another spin class. However, I was invited to do the class on the CMXRT recumbent and it was great! I really like how smooth it is and I can use my bike shoes if i want to.

Cascade. Early Years and expansion . Cascade Manufacturing Company has been founded in 1943 with a small capital investment of 7500 dollars in Portland, Oregon as a small shop for just four employees. First recoded sales revenues involved the machining and assembly of stainless steel valves and pipe fittings.
