was open from 1935 to 1936, in San Diego, Southern California, United States. Gold Gulch was a section celebrating the California Gold Rush and the American Old West.

Gold Gulch - Wikipedia

The discovery of the first lode of gold in the gulches around Central City is what really brought the colorful state of Colorado into being. Bancroft captures the broad sweep of the city's history through the details of the personalities that created its swirling events. Here are the pioneers who lived, worked, loved, grew rich, and sometimes died in the Gulch of Gold.

History. Mining in the Leadville area began in 1859 when prospectors working in the channels of the Arkansas River tributaries discovered gold at the mouth of California Gulch. In April 1860, one of the richest discoveries of placer gold in Colorado was discovered at California Gulch. By 1872, placer mining in California Gulch yielded more than \$2,500,000, roughly equivalent to \$47,674,478 today.
